Message from the Honourable MEC for the Department of Economic Development, Environment, Conservation and Tourism, Miss KENETSWI NORAH MOSENOGI

The Mebala Ya Rona Biodiversity Transformation initiative and its Advisory Committee continue to positively impact lives of ordinary people every year. The presenting of such an important catalytic marketing platform for our previously disadvantaged wildlife entrepreneurs and the entire game farming industry at large, comes as a new breath of recovery since the hard-felt COVID19 Pandemic, which continue to negatively affect all businesses. You are indeed making a real term difference in people's lives.

The department has made tremendous effort for the first time since the formulation of Mebala Ya Rona Biodiversity Transformation initiative, to rearrange and capacitate the Advisory Committee as a more autonomous vehicle wherein it will strengthen itself through its own firm Constitution and further boost its agility in its cause towards assisting government with measures that bring needed growth and transformation in the biodiversity sector across Bokone Bophirima.

To the men and women behind this initiative, both from the department and outside the department; your dedication to the most vulnerable new entrants into the industry who are mostly indigent rural communities, is indeed appreciated. Your hard work continues to inspire confidence and it is motivating that work is done by people who are only constituted by the non-benefiting volunteers and do it now at this critical stage when it's even more necessary than ever and more risky than before, is incredible.

Thank you for caring for the youth and female entrepreneurs in our communities during what was already a challenging time. I witnessed for the first time through this initiative, the strength and agility of the only female game farmer during a handover function at Koster in late November and I would like to encourage you continue the great work.

To the wildlife industry and its representatives in this auction, your presence strongly reaffirms the commitment to bring a brighter future to young black game ranchers, especially those who have been marginalised. It is great that you have taken up the challenge and commitment to work together to bring fulfilment to every new entrants of the industry who dream of a better life. Through Mebala Ya Rona initiative, you are providing opportunities for out-of-school youths to gain access to the sector and boost employment.

Let me take this opportunity to greatly thank the donors and auctioneer, and most importantly to all the sellers in the auction today. All the bidders should be encouraged by the developmental comfort of the cause we wish to achieve and open your generous hearts when you bid.

Thank you!

It is indeed our voluminous delight as Mebala Ya Rona to bring the 4th Annual Game Auction 2022 to the wildlife community in the North West Province and elsewhere in South Africa. The efforts are constituent to the exciting vision of being a resource to the biodiversity entrepreneurs through transformation. The auction creates a well deserving value proposition in creating the market linkages as an element of the value chain in the industry as part of the broader economy.

The momentous achievements by the organization as a maturing brand with recognition cannot pass unnoticed. It is illuminant to the notable milestones in creating strategic and viable partnerships with the civil society, communities, private and public sector as a fulcrum to support emerging game farmers.

Mebala Ya Rona is unashamed of the initiatives that have been implemented thus far within the short space of time, which encompasses funding, training & capacity building and access to markets for inclusively growth and development of the our emerging game farmers and communities.

The auction catalogue is a footing to demonstrate impact of formidable offerings from distinguished sellers to the buyers, ample opportunity to exhibitors, sizeable bottom line in terms commitment of strategic partners & devoted sponsors/ donors. The moment and the event are amazing with beyond belief packages at the right time of economic recovery sequential to the Covid -19 pandemic.

Mebala Ya Rona presents its 4th this catalogue with enthusiasm and forward-looking stance for everyone attending to benefit and to create long lasting experience to come again in future.
